We offer

REDUCE COSTS - BUY FACTORY DIRECT!

Distinguish your products from competitors with captivating custom branding, designed to make a lasting impact on your customers.

OPEN MORE DEALERS WITH A DISPLAY AND PRODUCT PACKAGE!

Our award-winning "in-house" display design team works closely with you to create innovative displays that attract more dealers and boost sales.

MANUFACTURING RUNS FROM AS FEW AS 50 FLOOR UNITS, AND 100 FOR COUNTERTOP DISPLAYS.

With Avante POP Displays, you get flexibility in manufacturing quantities, ensuring you meet your retail demands with ease.

ATTRACTIVE, DURABLE, AND EASY TO ASSEMBLE

Our displays are designed for longevity and user-friendly assembly, making them an excellent investment for your retail success.

FLAT PACKED, COURIER FRIENDLY

Experience hassle-free distribution with our flat-packed, courier-friendly displays.

Your Path to Success in 4 Simple Steps!

1. Rendering

Our designers create a computerized 3D rendering of your display, complete with your graphics and product images.

2. Prototype

Test your products' potential with a working prototype, ideal for trade shows and test markets.

3. Production

Fine-tune the prototype to meet your exact requirements before moving forward with production.

4. Sell! Sell! Sell!

Watch your sales soar as our customized displays captivate customers and drive results.

Avante Customization: Creating Displays Tailored to You!

At Avante POP Displays, we pride ourselves on delivering tailored solutions to match your unique needs and branding requirements. Here's what sets our customization process apart:

Unique Designs

Our award-winning "in-house" design team collaborates with you to develop innovative and eye-catching displays that distinguish your products in the competitive retail landscape.

Custom Branding

We understand the significance of brand identity. Our displays incorporate your custom branding elements, ensuring your design aligns perfectly with your brand message.

Material and Color Options

Choose from a range of material options, including Acrylic and environmentally friendly eco-board. With a selection of stocking colors, you can create a cohesive retail experience.

Cost-Effective Solutions

We take pride in providing cost-effective solutions without compromising on quality and design. Our team works with you to find innovative ways to keep costs down while delivering impressive results.

Prototype Development

Before moving to full production, we craft a working prototype for field testing. This ensures your display meets your specific requirements and aligns with your vision.

Easy Assembly and Packaging

Our displays are manufactured for easy assembly using simple "screw together" construction. They are flat packed, complete with hardware and easy-to-follow assembly instructions for courier-friendly shipping.

Cutting-Edge Technology

Incorporate cutting-edge technology, such as media players or touch screens, to engage your customers and elevate their shopping experience.

Experience the Power of Point-of-Purchase (POP) Advertising!

Studies by POPAI reveal that about 70% of all brand purchase decisions are made in-store, and in-store sales have increased up to 65% with POP materials. Embrace custom POP displays to enjoy a 28% sales lift, outperforming standard materials 2:1.

Partnering with Tokinomo

Innovating Retail Experiences!

Avante POP Displays has joined forces with Tokinomo, a cutting-edge company specializing in shelf advertising robots. Tokinomo's innovative robotic technology engages shoppers like never before, combining motion, sound, and light to draw attention to your products and create an unforgettable retail experience.

How Tokinomo Works

Tokinomo's shelf advertising robots are motion-activated and intelligently interact with products on the shelf. When a customer approaches, the Tokinomo robot comes to life, gently picking up and promoting the selected product with captivating movements and sounds. This interactive experience piques curiosity, increasing product visibility and driving sales.

Award-Winning Technology:

Tokinomo's shelf advertising robots have been recognized with multiple industry awards for their innovation and effectiveness. The engaging and dynamic displays provided by Tokinomo add an extra layer of creativity to your POP advertising efforts, ensuring your brand stands out from the competition.

Choose Excellence, Choose Avante

Since 1989, Avante has been a leading manufacturer of permanent, custom in-store displays. We design, manufacture, and distribute directly from our Western Canadian based factory. Our clients, including Dish Network, Molson's Brewery, Maytag/Crosley Appliances, Ascenta Health, and Daystar Products, speak to our commitment to quality and service.

Testimonials from Satisfied Clients

"Thank you for helping us design our new displays and take our business to the next level. We have received nothing but positive feedback, and our dealers could not be happier with the upgraded units. We look forward to doing more business with you."

Brian Wilkinson, Marketing Manager Slick Products

"We're very happy with the displays and have around a dozen or less to find homes for. We definitely think they've boosted our sales and image. I think/hope we will probably be ordering again in the coming year. Thanks! It's a great pleasure doing business with you all."

Mark Bedillion, Co-owner Bedillion Honey Farm
